

Betafit Vinyl Floor Grates

A range of various **Adjustable** Grates in
80 & 100 mm Diameters

Ideal for **Vinyl or Ceramic tiled** floor coverings.

Essential for

***sterile, ablution, kitchen
and heavy traffic floor areas***

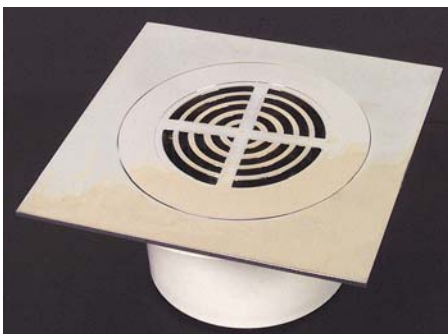

Betafit Grates are specifically designed to be

installed in vinyl floors to **Floor Waste Gullies**.

Grates can also be installed in tiled floors where the

thread on the grate acts as a height adjuster to

compensate for differing floor tile thickness.
